CLUTTER CLEARING CONSULTATIONS

TERMS AND CONDITIONS

These Terms and Conditions are designed to clarify how we will work together. Please read them carefully before booking a clutter clearing consultation with Marilyn Mars.

GENERAL INFORMATION: I will never tell you to dispose of any item. I may advise you and give you insights into how keeping clutter may be affecting you, but the final decision about whether you keep or dispose of any item will be entirely yours. I can therefore accept no responsibility for the consequences of any decision you may make.

I do not have the expertise to identify items of special value or rarity. I will always take great care when handling items. However, accidents can happen, and you agree that I cannot and will not be held liable for any losses or damage, howsoever caused.

CONFIDENTIALITY: You may rest assured that I will never divulge any personal or business details that I may see in the course of working with you. The only way in which your situation may be mentioned to others is in the context of my own services, and it will only be done in such a way that you will be completely unidentifiable (for example, 'a family I once worked with...' or 'a clutter clearing consultation I once did...').

FEES: Payment is due at the end of each session. Payment can be made in cash or by check.

CANCELLATION OR POSTPONEMENT: Both parties have the right to cancel or postpone a consultation due to unforeseen circumstances. In the event of less than 48 hours' notice being given, I reserve the right to charge 50% of the agreed fee.
